

December 1, 2016

Dear Applicant to the Pain Medicine Fellowship at UT Health San Antonio:

Most Pain Medicine programs in the United States have agreed to participate in the NRMP's (National Resident Matching Program) match for fellowships. This will be the fifth year of a "Match" process in Anesthesiology Pain Medicine specialty.

UT Health San Antonio **will** participate in the NRMP's (National Resident Matching Program) match and beginning December 1, 2016 we will only accept applications through ERAS.

All Supplemental materials that cannot be uploaded into the ERAS website can be emailed or mailed directly to fellowship at the address below:

Tameka Smith  
Pain Medicine Fellowship Coordinator

San Antonio, TX 78229  
Email: [smitht9@uthscsa.edu](mailto:smitht9@uthscsa.edu)

**MATCH TIMELINE:**

December 1, 2016 – March 3, 2017: Applications accepted  
October 2017: Match Day, results posted to website  
July 1, 2018: Fellowship begins

On the NRMP website, there is a timeline for programs in the NRMP Match at <http://www.nrmp.org/fellow/schedule.html>

Multidisciplinary Pain Medicine is listed with "Pediatric Anesthesiology" as they share the same dates.

Tameka or I would be happy to answer any questions if this letter is not clear about our participation in the NRMP Match for fellowship beginning July 1, 2018.

Sincerely,

*Javette Dukes*
